PURPOSE

The purpose of the American Business Women's Association shall be to elevate the social and business standards of women in business by uniting them nationally for training designed to make them more efficient, more considerate, and more cooperative toward their work, their employers, and their customers, thereby increasing their earning ability success, and happiness.

July 23, 1974

FROM THE DESK OF

Brenda Williams

J U N E was a very busy month, however, many of our goals were accomplished for the year and we soon will have earned our Standard of Achievement and Banner Chapter Awards for 1974!

Our many thanks to Patricia Glasscock for serving as our 1974 Anniversary Chairman. We had ten members who were recognized for Perfect Attendance. Lucille Walton, a charter member, was recognized for 13 years of Perfect Attendance; Florence Perkins was recognized for 12 year and Jean Fulkerson was recognized for 12 years chapter attendance as well as 13 years to all National Conventions and District Meetings (now Regional Meetings). Congratulations to each one and keep up the good work! Gladys Walker our 1974-75 Woman of the Year received her plaque and Mary Frances Brown was presented the 1974 Merit Award. It was indeed an honor for us to have seven of our Past Presidents in attendance to help us celebrate our TENTH ANNIVERSARY!

Our BOSS NIGHT EVENT could be deemed nothing but a success. MY Special THANKS Goes TO: Mary F. Brown, 1974 Boss Night Chairman; Jean Fulkerson, Souvenir Program Chairman; Patricia Glasscock, Decorations Chairman; Imogene Graves, Toastmistress; and Florence Perkins, Social Chairman. TO EVERY MEMBER WHO ATTENDED. . . THANKS! It was a beautiful evening and I appreciate each of you.

Our sincere sympathy goes to Frances Jones upon the death of her father on July 15.

M A N Y T H A N K S!

As my plans are to be out of town the week of the dinner meeting, I will use this means to express again appreciation for the cooperation in planning and preparing for Boss Night. I will not mention names of individuals who did contribute for fear of failing to include someone.

I apologize to you if you expressed willingness to do more than you did but were not given an opportunity. There will be many more projects on which you will be needed.

Let me encourage you to "Punch Holes in the Darkness" as you go about "MEETING TOMORROW'S CHALLENGES".

It was a pleasure and privilege to serve as 1974 Boss Night Chairman.

MARY FRANCES BROWN

The question of the chicken and the egg, "which came first?" has always been a puzzler for the business community. Management is continually faced with the decision . . . do we hire the workers before starting the job . . . or start the job before finding the workers?

Twenty-five years ago the founders of ABWA looked to the future and foresaw the opportunities which the business world would eventually offer qualified women . . . and answered the chicken and the egg question by initiating the scholarship programs and educational opportunities which have allowed many of today's business women to open the door to advancement in business.

With the demand for qualified business women increasing almost daily, ABWA has an even greater responsibility to continue opening closed doors.

YOUR NATIONAL OFFICERS SPEAK

NATIONAL PRESIDENT Vivian Gardner. "Every person is born with a tremendous potential, and whichever direction he takes is the result of the attitudes he adopts. All of us have had failures, but some people dwell on them and some do not. If you want to take advantage of your potential, stop worrying

about the problems and mistakes of the past and concentrate only on what you want in the future. In order to accomplish your goals, you must be a 'doer.' Decide if it's possible to change -- you can do it, but only if you think you can! Examine yourself and see what you want to change. When you admit you need to change, you're not down-grading yourself -- you're realizing there's room for improvement. Set a goal. In order to be a different person, you must start to become that person. No one expects you to change over night; it must be done gradually. There are five keys to success: work; knowledge and skills; self-discipline; belief in self; and goal setting. It has been said people are divided into three groups: those who make things happen; those who watch things happen; and those who wonder what happened. Which group applies to you?"
